GATEWAY MEDICAL ASSOCIATES INVITES OUR PATIENTS TO JOIN US FOR A COLORECTAL CANCER SCREENING EVENT!

SATURDAY, NOVEMBER 23RD

RESERVE YOUR APPOINTMENT TODAY! SPACE IS LIMITED!

Digestive Disease Associates

Brandywine Valley Endoscopy Center

150 East Pennsylvania Ave., Suite 320

Downingtown, PA 19335

Who: This event is for patients of Gateway Medical Associates who are 50-75 years old and who have not had a colonoscopy in the past. Patients participating in this event should not have any serious health issues that could complicate their colonoscopy. Not sure if this is for you? Talk to your doctor today! Your doctor can initiate a referral if you are interested in attending this event. **You can also call 610-594-7590 x 1040 for a referral to this event.**

What: Regular screening is key to preventing colorectal cancer. A Colonoscopy allows a doctor to look inside your colon and small bowel for polyps that could become cancer. During the test, the doctor can find and remove most polyps. This test is repeated every 10 years for people who do not have an increased risk of colorectal cancer.

Every patient who attends this event will be entered for a chance to win a $100 gift card!

Screening saves lives! It can help to catch cancer early, when it's easier to treat.
